

Product Description

Yukon Infinite Synthetic Blend is semi-synthetic lubricant which meets the high quality standard API SN produced from high quality semi synthetic base oil and special additives which give the best lubricity in all operation condition

Yukon Infinite Synthetic Blend is a low viscosity high performance engine Oil. It has been designed to provide excellent fuel efficiency and minimal engine wear, particularly at cold start up and is formulated using the latest in API additive technology. It provided higher performance levels, improved engine cleanliness, increased fuel economy and reduced oil consumption. It contains enhanced detergents, dispersants, anti-oxidants, and anti-wear and corrosion prevention properties.

Feathers & Benefits

- Engineered to increase fuel economy by reducing oil consumption
- Provides excellent protection against sludge and varnish deposits
- Smoothly starts and saves fuel consumption.
- Sludge and deposit produced in hot zones within an engines
- Enhanced anti-wear properties – reduced wear which can lead to lower maintenance costs
- Effective wear and deposit control- longer engine life and reliable operation
- High viscosity index and shear stability
- Enhanced high and low temperature protection in severe driving Conditions

Performance

- API SN

Typical Properties

<i>Properties</i>	<i>UNIT</i>	<i>METHOD</i>	<i>10W-40</i>
APPEARANCE	-	VISUAL	Bright & Clear
VISCOSITY 40°C	cSt	ASTM D445	101.4
VISCOSITY 100°C	cSt	ASTM D445	15.19
VISCOSITY INDEX	-	ASTM D2270	158
CCS @-25°C	cPs	ASTM D5293	5720
TOTAL BASE NUMBER	mgKOH/g	ASTM D2896	7.9
